Pastor's Message

Doesn't it seem that anytime we buy something these days we question the 'hidden costs?'

A pool seems like a good idea, but then there is the cost of chemicals, maintenance and the surge in the electricity bill. There are hidden costs with every purchase today—everything from a college education to a gas grill. How many times have you brought something home from the store only to realize you didn't get everything you needed with the product? So, it's back out to the store you go.

One time I got a great deal on a drum set. It was a good deal on the drums—but then I needed to buy cymbals and the hardware (stands, pedal, sticks). What started out as a great deal—turned out, wasn't so great.

Did you ever take your car to be serviced (I hope you have)? One time I brought my car into the station for a routine oil change. When all was said and done, that oil change cost me—are you ready for this--\$1100.00! I did not place the decimal point in the wrong spot. I'll even make it more clear--\$1,100. I am not lamenting the price of oil—it's just that my car needed more work than I could have imagined. One simple oil change turned into an epic list of things that I absolutely had to do if I truly loved my family, who would be riding with me in that car. Who wouldn't get the brakes fixed, after all?

While I was waiting, I was looking at a new car invoice. The car came with all these 'options.' Many of them were kind of silly, I thought. They could charge you for special paint. They used to charge you for undercoating and rust protection (remember those days?). Dealerships would try to upsell you—even though every car on the lot came with rust-proofing. My least favorite 'hidden cost' is the destination charge! They charge you—to get the car on their lot!

In the church there are hidden costs. Look around the next time you go to worship, or visit the church. Everything you see, or can touch, came at a cost. It cost someone dearly. The pews, the carpet, the organ, the classrooms, the heating system, etc. People worked tirelessly at fairs, yard sales, suppers, pops concerts! They baked, knitted or crafted at home for countless hours leading up to church fundraising events. Then there were so many over the last 275 years who made financial contributions to the church, or worked tirelessly shoveling coal, raking leaves, changing lightbulbs, showing up for meetings, etc. People were incredibly kind over the years leaving the church in their wills. I don't know everything that goes on in the church—because there is the 'hidden cost.' Things get done and we don't know who does them.

I suppose this happens in every organization, event and social club. But the church is different, because of a greater hidden cost. But the hidden cost isn't and has never been a secret. Jesus died on the cross. It's not secret. His mission to share the gospel of love cost him his life. It is not secret, but for many of us, we keep it a secret.

The next time that you are in church, remember that there isn't one thing about our church that has ever been easy or without a cost. Just getting to worship for some takes a great cost. Don't let your faith be hidden. May God bless you as you remember the cost and the joy of discipleship.

In Christian Love,
Rev. Will Sencabaugh

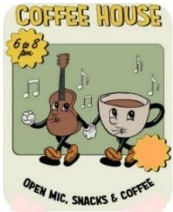

CONFIRMATION CLASS

The Confirmation Class for 2025-2026 will be officially having its first session on November 2. We plan to meet on the first and third Sunday of every month. The class is open to all young adults who are in at least 8th Grade. It will NOT be possible to join the Confirmation Group after we begin meeting on **November 2**. If you would like to join, but cannot attend the first session, you MUST talk to Rev. Will.

In November, we will be meeting on the 2nd and 16th, from 6 to 7:30 PM. Pizza and beverages will be provided.

NEW MEMBER—JOIN THE CHURCH

There has been some interest by a couple of people in joining our church. If you would like to “officially” join Second Church, please see Rev. Will or a deacon. Very soon we will be putting together a time to meet with those interested.

SECOND SATURDAY OPEN MIC AND COFFEE HOUSE

We will be hosting our **November 8** from 6 - 8 PM. This is the same day as the church Fall Fair.

After working a long a day at the fair, you may just want to put your feet up. You could do that at the Open Mic. We are always looking for people willing to share a song or reading. The event is open to anyone—all are always welcome.

UKE GROUP

Are you interested in learning how to play an instrument? A ukelele is a pretty easy instrument to learn (but difficult to master). I'm know that I can teach you how to play a few notes/chords/songs on a uke. I'd like to get together a group of players as well as those who want to learn. It will be fun. Perhaps we can play a coffeehouse or during a worship service in the future.

The Uke Group will meet the second Sunday of every month after worship. We'll get our coffee and meet in the Ladies Parlor. For those of you who don't know how to play YET, bring along a uke (any size uke will be fine—yes, they come in different sizes). We'll go over some simple things and then we'll play! For those of you who do know how to play, I'm counting on you to help me teach a few songs. You might not become a rock star---but you'll have a lot of fun.

Our first Jam Session: **November 9**, 11:15 AM - 12:15 PM

ADVENT BOOK GROUP

New/Old book for our Tuesday night book discussion group....The Battle for Christmas by Stephen Nissenbaum

We began reading this book last year during Advent, and we thought we would continue (and finish) the book with this year's group. If you haven't read any of the book that is okay—you can catch up or start at Chapter 4. We will start with chapter 4 at our first session on **November 18**. We will meet each Tuesday through December 16. We meet in the Conference Room from 6 – 7 PM.

Rev. Will will continue to keep office hours at the Burgundian and Skyroc throughout November. However, there will be NO office hours on the week Nov 9 – November 14.

Every other week in November he will be at the Burgundian on Tuesdays from 9:30- 11 AM and at Skyroc on Thursdays from 6 – 7:30 PM.

Rev. Will is available to meet at other times, please call, email or text to set up an appointment.

PRAYER GROUP

Every Sunday after worship the prayer cards are collected, and during the week an email goes out to this small group. We pray for everyone on the list. This is a calling, a brief time of petitioning God's loving help for each person's situation.

We consider the information on the cards to be confidential. We would like to invite more church members to join this prayer network. If you would like to be a "pray-er", please speak with me at church, or email me.

We're off to a fantastic start at Jack and Jill!

Our teachers, students, and families have settled in wonderfully, and we're gearing up for one of my favorite times of the year—Literacy Month! Our kick-off began with the Fall Festival, where parents purchased books and added personal messages for their child. The books will be delivered during the first full week of November, spreading joy and excitement!

We're also thrilled to announce our Annual PJ Story Time on Tuesday, November 18th at 6:30 PM. Families are invited to join us in Fellowship Hall, cozy in their PJs, as our Jack and Jill

families come together for a magical evening of reading.

October was filled with special activities, and the students are loving every minute! We welcomed various

community helpers to visit, and their interactions have been a highlight for the children. Additionally, we had our monthly visit from Mrs. Tuminelli, who brings her guitar for singing and dancing.

Looking ahead, our classes are preparing for the Friendship Feast on Tuesday, November 25th, held in Fellowship Hall. Each class will make a special snack to share, and the children will perform songs and enjoy a story together, it is a wonderful way to celebrate friendship!

During the month of November, the Jack and Jill Board of Directors and school community will be hosting a food drive to benefit the Second Congregational Church Food Pantry. This is a wonderful opportunity for our community to come together and support those in need.

Lastly, if you know anyone searching for a preschool, please encourage them to contact us at 508-222-1149. We are always happy to welcome new families into our community!

As we enter the season of Thanksgiving, I want to extend my heartfelt gratitude to all who support Jack and Jill. It's a privilege to see our school thrive year after year, and I am thankful to be part of such a special place.

Intergenerational Sacred Dance

Sacred Dance practices will be held on November 1st, 15th, 22nd, and 29th. Hope you will all still come to church on the 8th so that we can all enjoy

the Church Fair! We will be presenting in worship during Advent with a new piece, "No Obvious Angels". All are welcome to join! If you would like to be a part of movement in worship all ages are welcome to join the intergenerational sacred dancers. We gather at 9am on Saturdays for about 45 minutes of stretching, learning new dances for worship, and a little bit of just "fun dance". If you or your child has any questions please let me know at (508) 409-7919. Hope to see you then!

Hanging of the Greens

All children, youth, and the young at heart are welcome to join our intergenerational sacred dancers to help us welcome in the Season of Advent! We will be rehearsing on November 16th and 23rd after worship and presenting in worship on November 30th. If you or your child is interested in participating, please let me know at (508) 409-7919.

OUTREACH & MISSIONS

Thanks to all who contributed to our October collections on behalf of the New England Seafarers' Mission! Stay tuned for an announcement of our next project!

The November meeting of Outreach and Missions (8:30 am, Nov. 9, conference room) is our annual chance to decide how our remaining budget will be distributed among the many local, regional, and national organizations that need our assistance to carry out their missions. At our October meeting, a record of previous years' contributions was distributed, so that we can carefully consider any changes/additions that might be needed. All are invited to weigh in on our choices.

Finally, even though the Fair will be

over for this year, the Crafternoon group will still meet on the second Friday of the month (Nov. 14, 2 pm) for a whole new round of crafting and conversation. Come join us--there is always room for more!

Paula Foresman

Christian Education

What a wonderful time we had in October! We've been learning about community, Communion, and Creation. Many, many thanks to all the helpful hands who made our participation in the Downtown Trick or Treat possible by donating candy, greeting guests, and sharing a lovely day!

If you know of a new family that would like to build community, explore faith, and seek compassionate justice, please feel free to invite them to join us anytime throughout the year. If you didn't get a chance to register for Sunday School, you can at any time of the year by requesting a form from a teacher or member of the CE Committee.

If you have any questions, ideas, or would like to volunteer please feel to reach out to me.

COMMUNITY NOTES

I have always found that bringing people together, regardless of age or location, is usually a wonderful experience. It has been a big part of my life for years. Sing-alongs with family or friends or students in schools, parties, sailing with a group on a racing yacht, camping and hiking with groups of all kinds. My experience has been that when people get together they can create a lot of fun...in peace. Its always been a great way to make memories!

A year ago, our Pastor asked if I would be interested in holding a discussion group on the series called THE CHOSEN. I had come across it accidentally on the CW network the previous year and, having been deeply involved in our faith since I was a teenager, was completely in

awe at seeing the Gospels and the Apostles and Jesus character come to life in a way that had never before been presented. The series made everything I believe come to life in a very relatable way. A connection was made. But not just for me, but as I have since learned, for tens of millions around the world. Many non-Christians! And that is a good thing...especially in these challenging times.

So, we began our Discussion group last January and it went very, very well. So well, that I have offered it again... not just for members of Second Congregational Church, but for those attending a number of our nearby churches. What a wonderful way to come together to discuss, to share and to question our faith and, perhaps, to see the Gospel events, the Apostles and Jesus from a new perspective.

If that is a good thing why not seek to bring other Churches together to "COME-TO-UNION" in other ways. Why not see if they also have ideas on how we can come together building the Kingdom of God.

One thing I have always found that can bring folks together is music. Good old COFFEE HOUSE! So, we have invited our local Christians to join us on second Saturdays. And, perhaps, aiming to make our December Sing-Along something even more special this year. Who doesn't like to hear (and sing) Christmas carols? So many groups I have "called together" over the years, even teenagers (like 400 middle school students all raising the roof to Jingle Bells!) have overcome their hesitance to sing and had a blast. Making memories.

Christmas is such a special time to "COME TOGETHER". A time to celebrate the beginning of the Gospel events and the birth of Jesus...a time to focus on peace and harmony...a time to raise our voices in song...a time to have fun together.

Everyone is welcomed at our Church. That is a special blessing and as it should be. But all are also welcomed to look into THE CHOSEN (On PRIME and The Chosen.com) or to join our Discussion Group. And ALL are certainly welcomed to join in our Christmas Sing-Along in December. It is always good for us to come together. As Jesus said: "Wherever two or more are gathered in my name, there I am in their midst."
